Show your patients the power of chiropractic in the world of professional sports.

And

Chiropractic Care of the Elite Athlete

Featuring Mark A. Letendre

For the Athletic Trainer and Team Doctor (\$50. + \$7. S&H)

Help them to understand how you can make a difference for their team as a Doctor of Chiropractic!

Both videos are extremely high quality, dynamic and will make an impact on your practice!

Athletic Trainer video now available in CD Rom!! Only \$50.
(CEPA members receive a 10% discount)

****Videos are copyrighted and copy protected, so if you need to purchase more than one Trainer/Doctor video to send out we will extend a 10% discount on multiple purchases of this video. Both the Waiting room and ATC videos can be purchased for \$120. + \$7. S&H

Our PowerPoint presentation is designed with different applications in mind.

1. Use it in workshops in your community to position yourself as THE sports and injury expert in town.
2. Use it in a team setting to educate the team's medical staff and athletes as to the complete benefits of chiropractic care. If you feel restricted to filling the pain relief mode for the players, this will help them understand how chiropractic care can help them prevent injuries and enhance performance. The cost is \$80.
